MEMORANDUM FOR: Acting Deputy Director for Administration  
General Counsel

FROM: John F. Blake  
Acting Deputy Director of  
Central Intelligence

SUBJECT: Security Provisions in Agency Contracts

1. It is my understanding that as a result of recent breaches in industrial security policy by contractors working on classified matters that attention is being given to strengthen and expand the security provisions contained in Agency contracts.

2. I would appreciate having the revised and expanded provisions furnished to me for review by 22 August.
